

DOUJAK CORPORATE DEVELOPMENT

Decoding the Indian Kaleidoscope

*Helmuth Tschabuschnig,
Christine Wawra*

Decoding the Indian Kaleidoscope

When: Monday, 4th October 2010 / 09.00 – 18.00
Where: Doujak Corporate Development, Lainzer Straße 80, 1130 Vienna
Who: Participants: Managers and entrepreneurs starting or doing business with Indian companies
Languages: primary language German (Documentation, handouts in English)

What you can expect from the workshop:

- A structured approach to comprehend and deal with the diversity in India
- Frameworks to understand the various factors that affect individual and corporate work culture in India
- Explanations to some of the paradoxes that you may have faced / experienced while working in India or with Indian companies

What are the key Takeaways:

- Inputs to better adapt your management style for working in India and with Indian companies
- Perspectives and opinions to address current challenges you may be facing
- A platform for sharing experiences with people with extensive experience in India / Indian companies

What to look forward to:

- Presentation & discussion of experiences, tools & frameworks
- Interactive working formats & exchange
- Small-group Discussions

Costs: EUR 280,-- (+VAT) per person, group discount possible / Indian snack lunch included
