

**MALIKA
BAUER**
ASSOCIATE PARTNER

MAIN AREAS OF
EXPERTISE

Malika's area of expertise is the support and implementation of IT transition programs for global players. Her focus is on the needs of people in the context of their relevant environments. This enables her to motivate people to perform at their best and to relieve them of the fear of uncertainty in change processes. Malika has more than 30 years management experience, including 14 years in top management of large global acting companies.

Slogan/Quote:

You cannot give more days to your life, but you can give more life to your days!
